

TERENCE COVENTRY

TERENCE COVENTRY
10.5.38 - 20.4.17

Terence's work has always focused on celebrating life so it is our deepest sadness that he did not manage to see this joyful show installed in the gallery. He was fully involved in planning the exhibition right up until the last and it is a testament to Terence's strength and determination that he created this fabulous body of new work in spite of his illness. As Terence always believed the work alone should speak for itself, without further ado we encourage you to look, enjoy and raise a glass to a truly wonderful man and sculptor.
